Meeting of Presbytery.

One of the most successful sessions of that court in the Presbyterian church circles in this part of the state, known as the Presbytery of Osborne, closed in Wa-Keeney last Sabbath evening.

The initial meeting was on Thursday evening prior. Rev. W. B. Brown, of Hays, well known here, preached the opening sermon by virtue of his being the retiring moderator. Immediately after this, the court was formally constituted which was followed by the selection of a new presiding officer in the person of the Rev. Anderson Crain, of Oberlin. Business occupied the attention of the body during most of the day sessions of Friday and Saturday, while popular meetings were the order on Friday, Saturday and Sunday evenings.

Among the more important matters of business was the choosing of two commissioners (one minister and one ruling elder) to represent the Presbytery at the national meeting of the General Assembly, which convenes at Des Moines, Iowa, next month. These honors fell upon the Rev. Leonard Keeler, of Hoxie, and Ruling Elder John M. Day, of Colby. Their alternates are the Rev. Theodore Bracken, D. D., of Phillipsburg, and Ruling Elder C. E. Montgomery, of Hoxie. Among the interesting speakers at the meetings were Dr. Mabel True, of the Old Dwight Mission among the Indians in the territory, and the Rev. Chas. E. Bradt, Ph. D., of Chicago, a field secretary of the Presbyterian Board of Foreign Missions.

The Ladies' Presbyterial society reports a most successful and encouraging meeting as well as do the men of the Presbytery.

Last Wednesday, April 18, at the home of Mr. and Mrs. J. W. Reynolds, five miles southwest of Ogallah, their only daughter, Miss Emma, was united in marriage to Mr. John Schumann, Rev. Everett of this city officiating. Miss Reynolds is well and favorably known in this community. She is a young woman of sterling qualities and Mr. Schumann is to be congratulated upon securing such a companion for life's journey. Mr. Schumann is one of the successful young farmers of Ogallah township and is well known to many of our readers. Both young people have the congratulations of the world and a very large circle of friends.

Dr. L. E. Rogers, of Ottumwa, Iowa, who has owned several sections of land in Sheridan county for nearly twenty years, was here last week having some improvements made on one of his farms in Valley township. Instead of being discouraged Dr. Rogers is anxious to get more land and told us he had just closed a deal for three more sections and thought he might possibly gather in a couple more within a short time, he having made an offer on them.—Hoxie Sentinel.

On Wednesday evening about six o'clock during the heavy rain storm lightning struck the house at the Gleason ranch knocking the chimney over and tearing up things in general. Considerable damage was done to the house which had but recently been completed. Fortunately all of the occupants of the house were absent at the time. Ray Gleason and Guy Richardson were quite severely stunned by the shock.

Dave Taylor, of Kansas City, Mo., and Gus Erbacher, of St. Marys, brought out a tourist car of land burners last Tuesday evening. Wednesday morning they started out to look over the lands owned by the above named parties. This land is mostly in the south part of the county.

F. O. Gleason, of Council Bluffs, Iowa, is in the city visiting relatives this week.

Mr. and Mrs. Otto Young, of Franklin township, were in the city last Saturday on business.
